

Hosted by Steve Black, **Chop Shop** is America's Guitar Radio Show—spotlighting the legends, techniques, and stories behind the most iconic guitar-driven tracks in rock history. Each week, the show dives deep into the craft, influence, and evolution of guitar heroes from the '70s, '80s, and beyond.

From legendary riffs to behind-the-scenes studio stories, **Chop Shop** explores how rock's greatest songs were built and why they continue to matter. Customizable, interview-driven, and full of insider access, this show offers a fresh angle for Classic and Mainstream Rock stations.

Features & Services: Guitar-Focused Storytelling. Artist Interviews. Custom Drops. Specialty Benchmarks. Artist Access.
